DEFENDANT'S ADMISSION

U.S. Probation officer Angela McGlynn alleges Defendant violated the conditions of supervised release in the following respects:

- (1) Consuming alcohol on or about December 11, 2006, and January 5, 2007, in violation of special condition that she refrain from the use of alcohol.
- (2) Failing to be truthful to the United States Probation Officer on or about March 16, 2007, in violation of standard condition No. 3.
- (3) Failing to attend Alcoholics Anonymous meetings in February 2007, in violation of the special condition that she satisfactorily complete an intensive outpatient drug and alcohol treatment program at Alpine Recovery.
- (4) Failing to maintain an ignition interlock device on her vehicle since sometime after January 10, 2007, in violation of the special condition that she maintain an ignition interlock device on her vehicle until the completion of alcohol treatment.

At an initial appearance held March 28, 2007, I advised the defendant of violations Nos. 1-3, and of her constitutional rights. Defendant denied the allegations and requested an evidentiary hearing before a Magistrate Judge. On April 4, 2007, a supplemental violation of supervise release report was filed with the Court to include violation No. 4. At today's evidentiary hearing, the defendant admitted violation Nos. 2-4 and the Government has agreed to dismiss violation No. 1.

RECOMMENDED FINDINGS AND CONCLUSIONS

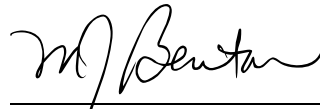

Based upon the foregoing, I recommend the Court find that Defendant has violated the conditions of her supervised release as alleged and set the matter for a disposition hearing.
